Thirty-two striking creatures include an eagle, elephant, lion, and wolf. Artists can achieve realistic effects with the

help of lightly printed numbers that correspond to a simple color key. The illustrations are printed on heavy, high-quality paper that's printed on one side only so most paints won't bleed through. Plus, pad-like binding make removal and display of finished paintings a snap. Specially designed for experienced colorists, Wild Animals Paint by Number and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment.
