**Marcia Leonard : Cricket's Jokes, Riddles and Other Stuff** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cricket's Jokes, Riddles and Other Stuff:

He is enjoying the book as much as I did, if not more. The jokes vary in complexity to suit a new reader or an aspiring comedian. The jokes are thought-provoking also in playing with language such as punning and riddling. For example, "What goes up a chimney down but not down a chimney up? An umbrella!"

A collection of jokes, riddles, limericks, and tongue twisters.
