CSI: Crime Scene Investigation is the US Number 1 TV show, currently breaking viewing records on Channel 5 in the UK. The show follows a Las Vegas team of forensic investigators who know the crime scene is the key to solving any murder. A 'haunted house' ride takes on added realism when a real body turns up inside. However, the apparent suicide soon becomes a homicide investigation for the laser-sharp minds of Las Vegas' CSI team, who find their resources stretched thin when they also have to contend with a wave of increasingly violent armed robberies. This collection also includes an exclusive introduction, photo gallery and interviews with series cast members!
