**Kris Oprisko, Renato Guedes, Steven Perkins, Ashley Wood : CSI Miami** before purchasing it in order to gage whether or not it would be worth my time, and all praised CSI Miami:

It's all sun, sand and serology in this spin-off from the smash-hit drama CSI: Crime Scene Investigations. It's all the same blood, stains and hard science but now it can be enjoyed amidst the beaches and condos of the 'sunshine state'! In

three cases as hot as a Florida summer, Horatio Caine and his team pick their way through a mass killing on a popular beach; the labyrinthine plot behind the hanging of a businessman; and the ethical dilemma of investigating the murder of a prominent criminal. Run through with the same thrills, intrigues and fastidious forensics as the TV series, this first CSI: Miami graphic novel is a worthy stablemate to its Las Vegas

About the Author Kris Oprisko's writing credits include Underworld: Red in Tooth and Claw, Resident Evil and Metal Gear Solid. Renato Guedes' artwork can be seen in Stargate SG-1 and a 24 one-shot. Steven Perkins is currently working on the forthcoming CSI: Dominoes. Ashley Wood has worked on such titles as Ghost Rider 2099, Hellspawn, Shadowman and Uncanny X-Men.
