Jeff Bagato : Cthulhu Limericks before purchasing it in order to gage whether or not it would be worth my time,
and all praised Cthulhu Limericks:

This collection of limerick verses based on H.P. Lovecraft's Cthulhu Mythos combines horror and humor in equal
measure to demonstrate that man's view of himself as the center of a known space-time continuum remains laughably
out of scale with the reality that ancient forces control his world.
