I bought this as a gift for my boyfriend and both he and I love it. I would definitely get this for any lover of the comic series. It would be a nice book to have sitting on your coffee table for guests and such.1 of 1 people found the following review helpful. Stupid humor in the best wayBy CDKVery, very funny stuff. I've passed this around to my family members and everyone gets a kick out of the comics in the book. The sarcasm fits our family perfectly. I wouldn't go crazy buying a bunch of these unless they were cheaper, but having one or two around for some quick laughs is great.0 of 0 people found the following review helpful. I fricken love these comic stripsBy DarianI fricken love these comic strips. I have been following them for a while, so I had to get this book.

The bad boys of webcomics are back with a new collection of strips and sass!Once again, creators Kris Wilson, Rob DenBleyker, and Dave McElfatrick combine some of their best strips and a host of never-before-seen comics into a new, collected book. In the best, sickest tradition, Cyanide Happiness' simply drawn figures and the wildly inappropriate topics they cover—including cannibalism, murder, and incest—is most reminiscent of South Park, but offers a profane sensibility all its own. Includes a foreword by comedian Bo Burnham and Poetry Corner, a collection of demented rhymes. Cyanide Happiness is one of the longest-running, most popular, humor comic strips on the web, easily earning millions of hits per week. With its crudely drawn art and snarky humor, Cyanide Happiness has touched many a funny bone and is accessible to a legion of fans worldwide.
