I love having some black backgrounds because it looks really good with bright coloring utensils and you don't always have to color the backgrounds. 0 of 0 people found the following review helpful. Family Holiday Fun! By Kat Suydam What a joy it was to find a Halloween Coloring Book that wasn't filled with Gorey Pictures! D. McDonald Designs Happy Halloween Adult Children's Coloring Book 0 of 0 people found the following review helpful. This will be fun! By Jillybean What an adorable book. I just subscribed to this author's page as I purchased several of her books and I like them all.

A little Halloween coloring fun. Designs created on white backgrounds and also on black backgrounds. This book includes a duplicate set of pages to share with others or color a second time differently. Have some laughs and color in a group! Always place paper behind the page you are working on when using markers and pens ! Happy Halloween and Happy Coloring !
