Stephan Pastis : Da Brudderhood of Zeeba Zeeba Eata: A Pearls Before Swine Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Da Brudderhood of Zeeba Zeeba Eata: A Pearls Before Swine Collection:

Love Those Crocs By Diego Banducci Pastis' cartoons are great... highly original and very funny. Any reader who is not familiar with his work is in for a treat. On the positive side, this book contains a wonderful introduction -- Pastis describing his first meeting with Charles Schulz ("Sparky"), a truly decent man. The only criticism I have, and the only reason I rate it at 4 stars, is that unlike some other volumes, this book does not contain Pastis' marginal notes, which I enjoy even more than the cartoons. Still, a fun book and a great gift for anyone not familiar with his work. 2 of 2 people found the following review helpful. Dis iss hystiracall, Brudder!!!! By L. Mills If you are a fan of Stephan Pastis' twisted humor, you will love this book! If you never heard of him and are slightly "bent", you'll soon be a fan. I purchased two previous books and gave them away as gifts (after reading them first, of course) and the party turned into a "listen to this one" and "where did you get these?" event. I love the crocodiles and their phonetic accent and their struggles with the wary

zebra who is too smart for them....because EVERYONE is too smart for them. The other characters are great too, but this one is the best of the three I've read. Do yourself a favor and order this book. Laughter is the best medicine and Stephan Pastis makes a great doctor!

So far this century, there have arguably been three breakout hits on the comics page-The Boondocks, Get Fuzzy, and Pearls Before Swine." -San Francisco Chronicle
More Info About Da Brudderhood of Zeeba Zeeba Eata: A Pearls Before Swine Collection
You're invited to the most whacked-out party of the year. Bring your togas, your appetite, and your attitude to the first-ever fraternity "zee-ba-cue" by the Da Brudderhood of Zeeba Zeeba Eata. A small cover charge is required, but zebras always get in free. Getting out is a different story. . . In this, the fifth collection of the wildly popular Pearls Before Swine comic strip, Stephan Pastis's original creations Rat, Pig, Goat, and Zebra join the sophomoric cast of crocodilian cutthroats in Pastis's funniest work yet.
