Hunter S. Fulghum : Dad's Survival Guide to Babies before purchasing it in order to gage whether or not it would be worth my time, and all praised Dad's Survival Guide to Babies:

3 of 3 people found the following review helpful. fun book, great gift By P. Baker Purchased this book for my brother as he and his wife were preparing for their first child. Humorous book with truthful undertones. I made a daddy diaper belt for him as illustrated on the front cover and stuck the book inside one of the tool belt pouches. It made for a great gift. 0 of 0 people found the following review helpful. Great Idea for new Dad By P.C. I needed a special gift for a new dad. This was a great idea. Highly recommend. Funny and lots of laughs. 0 of 1 people found the following review helpful. misleading By fozzy The add shows a kit but when they send it to you all you get is the book. The book is great but when I bought it I expected to get the whole kit.

A new baby's arrival demands a dad give up sports, lose sleep, operate diapers, placate his wife, and protect his coveted material possessions. But all is not lost! For newcomers to fatherhood, *Dad's Survival Guide To Babies* provides dads a lighthearted perspective on their parenting careers. With finesse, author Hunter S. Fulghum details what equipment - and attitudes - dads need to prepare for an survive their children's development from harmless (albeit noisy and needful) infants to irritable teens. Fulghum's book is an uproarious instruction manual for novice dads that even experienced fathers will find useful and funny. Falghum's quick-witted insight eases dads from frightened lumps of nerves to nurturing and loving parents - with a hard-nosed edge that earns them the right to say "I told you so" when their children start families of their own.

About the Author Hunter Fulghum is the author of *Office Dirty Tricks* and *You're Not Getting Better, You're Getting Older*, packaged by becker-mayer! Ltd., and *Like Father, Like Son*. His father is Robert Fulghum, who wrote *Everything I Need to Know I Learned in Kindergarten*, among other best-sellers. He lives in Washington with his family and a herd of cats.
