CombsI have read this book many times and I never seem to get tired of her funny inspirations. I recommend this and any of her other books to have a good laugh or just to have something enjoyable to read. I take these books on my kindle to the hospital and have had doctors and nurses want to know what I was reading. A line or two and they too walk out smiling and sometimes laughing. A great gift for the new Christians as well.

Open this book each morning, and let the "Queen of Encouragement" splash your day with joy. She knows firsthand how the smallest splash of joy can soothe broken hearts with the light of God's love. And she's seen how a simple message of hope uplifts a life that's left in tatters. In these pages you'll find a daily dollop of Barbara's favorite jokes, heartwarming stories, witty cartoons, and heartache-survival strategies. Share a moment each morning with the Geranium Lady, and soon you, like Barbara, will realize you've been "blessed to be a blessing."
