Dr. Matthew McKeague : Darker Seuss Extra Grim Fairy Tales of Even Grimmer Existence before purchasing it in order to gage whether or not it would be worth my time, and all praised Darker Seuss Extra Grim Fairy Tales of Even Grimmer Existence:

1 of 1 people found the following review helpful. The Missing Link to Tales About LifeBy Cody MyersThis book is the perfect reflection of our human existence with the nostalgic essence of a Dr. Seuss verse. Its Shakespearean like comparisons and undertones make it a must read for any "lost souls" or philosophical aficionados!1 of 1 people found the following review helpful. It didn't take long for the laughs to come!By Melissa LincolnJust finished this book today! Laugh out loud funny!1 of 1 people found the following review helpful. Brilliant!By CustomerA rhyming dark comedy book? It's BRILLIANT! This is very well written! I recommend it to anyone that's into dark comedy or just want to read a fresh, new comedic style of writing.

"Darker Seuss: Extra Grim Fairy Tales of Even Grimmer Existence" will bombard your brain with thoughts of depression, death, and inescapable insignificance. But it rhymes, so it's funny. With over 40 full-page illustrations and nearly 100 pages, this witty comedy book contains the following hilariously tragic tales: (1) Dave vs. Existence - A tale about a father dealing with bouts of hopelessness and existentialism. (2) Advice from Gramps - A tale about a terminally ill grandpa writing morbid tips to his grandkids. (3) Clean Up Aisle Jen - A tale about a severe germaphobe

losing her mind at the grocery store. (4) Solitary Refinement - A tale about an introvert teen stuck in a crushing rut. And (5) The Greasy Spoon Conspiracy - A tale about a conspiracy theorist who falls down a rabbit hole deeper than he could ever imagine. All five tales take place in the same universe, connecting to one another and overlapping in fun ways. Matching with the Seuss-like structure and wordplay, each illustration is packed with jokes, some hidden for only the most observant readers. So take the plunge into "Darker Seuss Extra Grim Fairy Tales of Even Grimmer Existence" because, sometimes, everyone could use a little help making light of the dark.

"The language is so beautiful with powerful rhymes that ring through like music to the ears. The author has a gift for humor and it is seamlessly woven into the stories so that readers find themselves laughing as they read on." - Arya Fomonyuy, Readers' Favorite "What is astonishing is that the author doesn't sacrifice plot for poetry...Dr. Matthew McKeague has an irresistible charm that comes across powerfully through the use of humor and a variety of literary styles." - Ruffina Oserio, Readers' Favorite "There's something for everyone in Darker Seuss, but only if you have a sense of humor -- if not, try it for the illustrations -- they're sublime." - Jack Magnus, Readers' Favorite

About the Author Growing up as the fat dorky kid, Dr. Matthew McKeague quickly learned the power of comedy to make people hate him less. Later, a 5th-grade teacher told him that he was like an even darker Stephen King after hearing his rhyming poem about shark attacks. Surprisingly, his classmates approved too. So Matt kept studying storytelling until he became one of those silly doctors who can't save you if you're choking on a hot dog. Matt's first book "Darker Seuss: Extra Grim Fairy Tales of Even Grimmer Existence" quickly became "Number 1 New Release" on in Humorous Verse, driven by Matt's unique satirical comedy that should stand the test of time rather than becoming outdated in a week. Matt's style is one part wacky, one part dark, and one part heartfelt film from the 1980s featuring underdogs and awkward misfits. Sardonic, rebellious, and smart with a mix of intentional stupidity, Matt strives to make audiences laugh while also contemplating life's (sometimes) harsh realities. For updates, fans can follow Matt on his Facebook page: <https://www.facebook.com/TheMattBreakdown> When reading Matt's work, you're bound to notice some inspiration from his longtime comedic influences including "Weird Al" Yankovic, Benny Hill, Monty Python, Norm Macdonald, Mel Brooks, and Eddie Pepitone to name a few.
