Every day has a humorous quote and there's a puzzle on the back of each page. It's great to start your day off with a laugh and this calendar will definitely make you laugh a lot. The only problem I have is I like the quotes so much I can't bear to tear off the days when they're over! Not only is this nice to have around the house, this would also make a great gift for someone to put on their desk at work. Then when they've dealt with one too many people that are difficult, I don't like to call people names but let's say these difficult people might be morons, then all they have to do is read a couple of days worth of quotes and they'll be able to face the world again! This calendar could actually save their job or someone's life. Seriously, if you're a fan of Dave Barry's humor then you will love this calendar. 0 of 0 people found the following review helpful. Start Your Day with a Laugh By Sue Eckhardt This is a great way to start your day of with a laugh. But I'm prejudiced. I like anything by Dave Barry. Check out some of his books. He's hilarious. 0 of 0 people found the following review helpful. Great way to start each day. By L. Fox My husband would go crazy if I didn't get this for him every year for Christmas.
