Dave Walker : Dave Walker Guide to the Church Calendar 2012 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dave Walker Guide to the Church Calendar 2012:

Dave Walker has burst on to the scene with his brand of wry and understated humour and his unique take on what goes on in local church life. For the last 6 years he has contributed a weekly cartoon to the Church Times and he has published three cartoon collections. This is his fifth calendar, with 12 of his best cartoons that are full of all too recognisable scenes and characters from local church life. Here is everything you need to guarantee you get through the year with your sense of humour intact.
