If you like day of the dead stuff you'll be really happy with this book! 0 of 0 people found the following review helpful. Without the perforated pages it too easy to rip the sheets By James D Pages aren't perforated. I wanted to tear out each image for my students to color. Without the perforated pages it too easy to rip the sheets. Many of the images have sections to color that go to the very inner edge of the page, making it impossible to tear out and complete. 0 of 0 people found the following review helpful. Love love this book! By Tracie D Super fun day of the Dead images to color. The paper quality on this one is excellent, and would allow you to use different mediums. I'm a mixed media colorist myself, even adding tiny gemstones onto my pieces. These images will be perfect for that.

Immerse yourself in Día de los Muertos and indulge your crazy creative side! The Mexican celebration to remember loved ones is a whirlwind of patterns—iconic sugar skulls, beautiful marigolds, and intricate religious symbols. Try your hand at coloring masks, skeletons, costumes, and candles while learning more about the origins of this remarkable festival. Day of the Dead Coloring Book is an extraordinary cultural experience, allowing you to forget the whirl of day-to-day life. What better excuse to pick up your pencils?
