Be aware, this is primarily a Wonder Woman coloring book, despite what the cover suggests. As I'm a big WW fan, I was thrilled, but some people may think the cover is misleading and focuses on DC Comics characters in general, but it only has a few pages of Supergirl, Batman, and Catwoman.0 of 0 people found the following review helpful. Great coloring book for adultsBy JamieGreat coloring book for adults, especially Wonder Woman fans. Most of the pages are indeed Wonder Woman, despite what the cover depicts.

Grab your favorite colored pencils and have some creative fun as you color in over 120 pages of classic female comic book characters. Join Wonder Woman, Supergirl and all of your favorite comic book characters for this fun book. With awesome action poses, heroic rescue scenes, and patterns that pack a punch, the ultimate super heroes are waiting to be brought to life with color.
