**David Wiley Miller : Dead Lawyers and Other Pleasant Thoughts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Lawyers and Other Pleasant Thoughts:

0 of 0 people found the following review helpful. Five StarsBy Marco P. Debefunny.0 of 0 people found the following review helpful. Five StarsBy Lisa SmithFun look back at life in the 90s0 of 0 people found the following review helpful. Five StarsBy Nigel Watsonall this guy's stuff is wicked funny sardonicism

Dead Lawyers and Other Please Thoughts is the first collection the best from Non Sequitur, the sharp, sly new syndicated comic strip that has addicted fans from coast to coast. Cartoonist Wiley's irreverent, satirical wit, combined with his superbly crafted illustrations, confirm once and for all the sneaking suspicion that the universe is one big joke at humanity's expense. Non Sequitur explores the absurd and the unexpected with outrageously funny sendups of everything from the plight of the homeless to the might of defense attorneys; Dead Lawyers continues that tradition by refusing to conform to the monotonous, row-upon-row layout of most comic strip collections. As Wiley himself says, "Humor knows no bounds, and neither do my cartoons."

From the Inside FlapDead Lawyers and Other Please Thoughts is the first collection the best from Non Sequitur, the sharp, sly new syndicated comic strip that has addicted fans from coast to coast. Cartoonist Wiley's irreverent, satirical wit, combined with his superbly crafted illustrations, confirm once and for all the sneaking suspicion that the universe is one big joke at humanity's expense. Non Sequitur explores the absurd and the unexpected with outrageously funny sendups of everything from the plight of the homeless to the might of defense attorneys; Dead Lawyers continues that tradition by refusing to conform to the monotonous, row-upon-row layout of most comic strip collections. As Wiley

himself says, "Humor knows no bounds, and neither do my cartoons." About the Author Wiley began his career as a political cartoonist in 1976, and his incisive drawings have won him several honors, including, in 1991, the prestigious Robert F. Kennedy Journalism Award. He worked with the San Francisco Examiner from 1985 to 1992, but realizing there is more to life than politics, he left the big city and editorial cartooning for Iowa City, Iowa, to devote his full warped attention to Non Sequitur.
