Jim Hatfield : Dead!: The Story of Death and Dying (Horrible Histories) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead!: The Story of Death and Dying (Horrible Histories):

Contains all the facts readers old and young alike really want to know about history - the unpleasant, the bizarre and the strange! This series features informative text combined with illustrations in a child-centred approach to learning about history. This series was created by the "Lazy Summer Books" team, who were responsible for the ward-winning "Spaceship Earth" and the "Fantastic Journey".
