Jillian Madison, Michelle Madison : Dear Asshole: 101 Tear-Out Letters to the Morons Who Muck Up Your Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dear Asshole: 101 Tear-Out Letters to the Morons Who Muck Up Your Life:

213 of 219 people found the following review helpful. Five Stars By Edward P. Bracewell I feel at least 80% of these letters were about me. I need to rethink some things. 14 of 15 people found the following review helpful. very funny By stewpass92 Gave this as a Christmas gift to my brother, who is a jokester. The book is made up of letters to people who annoy you, instead of writing something yourself u can tear one out of the book and leave it for them. Covers lots of scenarios, from people who don't know how to park to a neighbor with an annoying wind chime. Each one funnier

than the next. Would not recommend for young children, but teens and up would be fine. 6 of 6 people found the following review helpful. This book is funny. I read it in one day By TheHBIC This book is funny. I read it in one day. It is meant to be a good laugh, everyone can relate to several of these letters. I guess you could rip them to and leave them for people, but I like to keep the book in tact. Thanks for the laugh!

Dear Asshole includes 101 letters to tell off all the assholes you encounter on a daily basis, each letter conveniently perforated so you can tear it out and give it to the desired offender.

Zink Magazine "This book will not only have you bent over from laughter, but you end up realizing that there are a lot of annoying people in the world." Chicago Tribune Tired of being the bigger person? Though it's not the most enlightened strategy, sometimes all you want is to tell a creep off with a brilliant comeback — which, inevitably, doesn't come to mind until hours later... The new book lets you eloquently vent your rage at life's annoying cast of characters, such as the "(blank) boss," the "overly competitive (blank)," the "social media-obsessed (blank)" and the "(blank) who left dirty dishes in the sink" ("P.S. It's been two weeks. Exactly how much longer does that pot need to 'soak'?")
