This book will make you laugh and remind you of all of the silly things you've done as a parent. It's fun and clever, which is always a good combination. On a slightly more serious note, I was also reminded while reading this book that we're all in this together on this unpredictable journey towards

raising healthy, happy children, and that felt good too. 1 of 1 people found the following review helpful. Five Stars

Hilarious!

Dear Baby: I'm Sorry is the perfect compilation of all those parenting moments we should apologize for. Probably.
Dear Baby: Sorry that half of your calories today came from dust bunnies. Sorry I refer to your morning nap as my first victory of the day. Sorry I put you to bed knowing full well you had avocado in your hair. Sorry I timed how long it was after you woke up before you cried about nothing. It was fifty-seven seconds. Try harder.
Dear Baby: I'm Sorry captures the comical, everyday mishaps of parenting ? and the poor kids who have to put up with us.

"This book puts parenting into perspective and makes us all realize there is no such thing as a perfect parent. We've all had "those" parenting days and this book allows us to find the humor in the situation. " - Mom-Spot
Dear Baby: I'm Sorry... is full of all the wonderful and crazy parenting moments we can all relate to in some way or another. When I received my copy, I couldn't stop turning page after page and I laughed at every single one." - Boy Meets Girl
