Ray RedSpider : Dear Christianity, We Need to Have a Talk: Irreverent Bible studies that prove Christianity has failed and become its own Antichrist before purchasing it in order to gage whether or not it would be worth my time, and all praised Dear Christianity, We Need to Have a Talk: Irreverent Bible studies that prove Christianity has

failed and become its own Antichrist:

0 of 0 people found the following review helpful. TruthsBy CustomerGreat read. States the facts and spiced with just enough humor! Ray RedSpider has put into words what many of us have only thought . There is great truth here. Good job, Ray!0 of 1 people found the following review helpful. Read This Book... NowBy Moss BlissThis book is beyond awesome. It covers the entire breadth of the scriptures and shows the real meaning of the Kingdom of God in a clarity I've not seen elsewhere. I reviewed an earlier edition and loved it so much I volunteered to edit it so that it would be even better, and this book is the result. Note I said "volunteered" - unpaid labor of love. This book needs to be in the hands of every Christian, atheist, witch, Hindu, or whatever. If you ever want to see the world the Christian God actually intended you to live in... Well, read it and call me wrong if you must, but read it.

Dear Christianity, Look, I know you meant well, and I know you did the best you could, but I think it's time that we have an intervention. You've been getting it all wrong. I don't just mean the thing with being self-righteous and not feeding the hungry or caring for the misfortunate. Although that's certainly a part of it. No. It's more than that. It's much more. And I know you prefer everything to be nice and for there to be only clean language. That's part of the problem too. You see, your failure is so bad that I can't help but use bad words. So if you kindly would, please, give this a read. I promise you'll learn a lot about your Bible you did not know, and you'll never see your faith the same way ever again. And maybe then you can get it right for a change. From the author of the blog, Bible Studies from an Asshole, comes this humorous, heartfelt, and outrageously honest work that reveals more controversy than the Da Vinci Code, except this book isn't full of crap. The Christian faith may never be the same again.
