I've even recommended it to non-Catholic and non-religious friends. Come for the humour, stay for the knowledge.0 of 0 people found the following review helpful. Short and amusingBy Eduardo BertelloA very nice mixture of humour and good practical theology. I'd already read most of the pieces separately, and I enjoyed having them all together.0 of 0 people found the following review helpful. Lighthearted and wiseBy Lincoln WoodThis book will keep Catholics from taking themselves too seriously. It is cleverly written and filled with humor and wisdom.

What would happen if we took our life questions to the saints rather than Dear Abby? This affectionate parody asks the foolish questions we all want to ask and provides a few pointed, startling, and funny answers from various saints (or near saints) in the Catholic tradition.
