I have shared it with others and we have enjoyed the Bryan's real life take on situations as they occur in our own lives. Of course we would never really pray this way....but Bryan really pin pointed on what an intial reaction or emotion may really be....if we were honest!I know I related to a few moments I've had in

my life. 0 of 0 people found the following review helpful. Five Stars
By Andy Wonderful read by a great musician and man of God!! Many of the prayers hit home!!! 0 of 0 people found the following review helpful. I never knew how prolific Bryan could be. By man I think everyone knows he writes some great lyrics but I didn't know just how blessed this man is with the gift of writing and conveying some very important feelings we all go through as Christians. Wow.. YOU WANT THIS BOOK!!!

How do you talk with God? Do your prayers reflect what you're really thinking, what's really going through your heart? Or do you edit yourself and hope that God didn't just hear that? Fortunately for us, Bryan Duncan doesn't have that edit button. Here he has put down in writing the prayers most of us hide: poignant, sarcastic, and grit-and-grime real... the observations of a flawed believer. After 40 years of developing his personal relationship with God, he has decided to lay all his cards on the table and share them with you. You'll laugh and cringe, and most likely recognize a little bit of yourself, as well. Reviews Endorsements ""A real person's devotional. It's the Book of Psalms for the new decade and the real world."" - David B. McLaughlin, Pastor, Author, and Public Speaker ""Bryan's lyrics have always been so honest they are frightening! So, a book from him? Yes, I read it! Admittedly, I held my breath through a few chapters, but when I exhaled? I would have been the first to admit, 'You know, I have felt the same way before,' relieved that someone else had the nerve that we didn't have to reveal that part of our true selves. Seriously, you've got to read this book."" - Chonda Pierce, Recording Artist, Author, Comedian, www.chonda.org ""It's the stuff we've all thought but maybe we've been afraid to say. When you read this book you will know that Bryan Duncan is more than a talented Christian songwriter and musician. Bryan is a fellow struggler, hungering for God. Witty, edgy, funny, and provocative."" - Ed Underwood, Senior Pastor, Church of the Open Door, Author of *When God Breaks Your Heart and Reborn to Be Wild*
