He laughed so hard.....it was great to see him laugh with all the life's frustrations. Trust me you'll laugh a bunch.0 of 0 people found the following review helpful. Complete Laught Riot!By K. B. Sit back and enjoy this children's book parody about a squirrel named Dee and his friends love for his big nuts. Each page will have you laughing and going nuts! This may look like a typical children's book but once the book opens, you will enjoy references that only adults will understand. Dee's Big Nuts makes a great gift for birthdays, anniversaries, bridal shower, wedding gifts, housewarming gifts or just a great gift to make a friend or loved one giggle in laughter.
