Jack Handey : Deep Thoughts: Inspiration for the Uninspired before purchasing it in order to gage whether or not it would be worth my time, and all praised Deep Thoughts: Inspiration for the Uninspired:

1 of 1 people found the following review helpful. Funny and Subversive By Evan Purcell This tiny coffee-table book is hilarious. Like many other people, I grew up watching 90s reruns of SNL, and the nonsequitur brilliance of Deep Thoughts has always influenced my sense of humor. This book is exactly what you think it is: a lovely little spoof on the self-actualization and self-motivation BS that has always been a staple of any bookstore. It's funny, absurd, and really dark. Huge recommendation, and a great gift for the relative that takes everything just a bit too seriously. 3 of 3 people found the following review helpful. Never gets old. By Pamela M. Rogers Sometimes, my eyes well up and my stomach hurts from laughing at some of them. You can read the whole thing in one or two sittings, or just read a few pages from time to time. After a while, it's always worth revisiting them. Most of them are clean, so I read them to my 7 and 9 year old kids too. They laugh really hard at some of them, but it isn't good for bed time because they keep repeating them and laughing while trying to get to sleep. UPDATE: It's been about 2 years and we still quote this thing sometimes whenever some random thing reminds us of it. My kids were just laughing again yesterday when something reminded me of one of these to say. 3 of 3 people found the following review helpful. 90's flashbacks By Melitia Reminds me of my teens and 20's. One of my favorite parts of SNL back in those days. Bought it for my sis for Christmas and she thought it was one of the best gifts she had gotten - even read a bunch of them aloud to the rest of us. Actually brightened a rough Christmas this year.

A national bestselling collection of comedian Jack Handey's "Deep Thoughts"—short, funny observations on life that were shown in between sketches on Saturday Night Live.

About the Author Jack Handey is an American humorist and author. He is best known for *Deep Thoughts* by Jack Handey, which appeared on Saturday Night Live. His other books include *The Stench of Honolulu*, *What I'd Say to the Martians*, *Deeper Thoughts*, *All New*, and *Deepest Thoughts: So Deep They Squeak*.
