Fyodor Dostoevsky : Demons (Penguin Classics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Demons (Penguin Classics):

0 of 0 people found the following review helpful. A readable classic By Robert B. Miller A classic that is surprisingly fun to read. The tortured characters weave a tangled tale of political ambition, manipulation, and love gone wrong. Be thankful if the demons leave you alone! The new translation is a work of genius. 0 of 0 people found the following

review helpful. Five StarsBy joan c.Brilliant14 of 16 people found the following review helpful. Fyodor's Darkest NovelBy P. MakkI must confess, this novel has never been my favorite of Dostoyevsky's. If you haven't already, read Crime and Punishment, The Idiot, and The Brothers K. first. This is his most political, abyss-facing, and toughest novel, in my opinion. As far as this translation goes, it's been a long time since I read Pevear's, but it as at least comparable. And as with other Penguin books, the notes are very helpful. I've always been an advocate of reading multiple translations, but if you only want one, this one's pretty good for your money.

A superb new translation of Dostoyevsky's chilling and prophetic novel of revolutionary fanaticismPyotr and Stavrogin are the leaders of a Russian revolutionary cell. Their aim is to overthrow the Tsar, destroy society, and seize power for themselves. Together they train terrorists who are willing to lay down their lives to accomplish their goals. But when the group is threatened with exposure, will their recruits be willing to kill one of their own to cover their tracks? Savage and powerful yet lively and often comic, Demons was inspired by a real-life political murder and is a scathing and eerily prescient indictment of those who use violence to serve their beliefs.

a Dostoyevsky was the only psychologist from whom I had anything to learn: he belongs to the happiest windfalls of my life, happier even than the discovery of Stendhal.a aFriedrich NietzscheDostoyevsky was the only psychologist from whom I had anything to learn: he belongs to the happiest windfalls of my life, happier even than the discovery of Stendhal. Friedrich Nietzsche? Dostoyevsky was the only psychologist from whom I had anything to learn: he belongs to the happiest windfalls of my life, happier even than the discovery of Stendhal.? ?Friedrich NietzscheAbout the AuthorFyodor Dostoyevsky (1821–1881), one of nineteenth-century Russia's greatest novelists, spent four years in a convict prison in Siberia, after which he was obliged to enlist in the army. In later years his penchant for gambling sent him deeply into debt. Most of his important works were written after 1864, including Notes from Underground, Crime and Punishment, The Idiot, and The Brothers Karamazov, all available from Penguin Classics.
