This is a great collection and would be a good book for the reception room or as a gift for anyone in the dental field. John Syrbu also has a great facebook page under the same title.0 of 1 people found the following review helpful. This is a funny bookBy Amanda ImmThis is a funny book of comics we keep at our dental office, but you can read them all online.0 of 0 people found the following review helpful. Patients seem to take to it!By ScannerDudderLove dental art humor! I've had this book out in my waiting area for about a week now and patients seem to like browsing through it. One even asked me a question about one of the cartoons! Great purchase so far! Thanks from Austin, TX!

Dental Art Humor is intended for dentists, dental personnel and anyone who has a profound interest in both dentistry and creative humor! The Collector's Edition features 40 original Dental Art Humor dental cartoons complete with explanations of references and dental terminology, making it easy for anyone to understand the quirky dental humor! Ideal for reception areas. Great for patient education and entertainment! Dental Art Humor also makes the perfect gift

for a fellow dentist, dental hygienist, assistant or student!
