**Blue Star Coloring : Dia De Los Muertos: Day of the Dead and Sugar Skull Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dia De Los Muertos: Day of the Dead and Sugar Skull Coloring Book:

47 of 48 people found the following review helpful. Very Nice Coloring BookBy TimoThis is a collection of about 25 line drawings that are suitable for fill-coloring.Good:--Many interesting drawings, both joyful and "grotesque," as is typical for the style of Dia De Los Muertos.--The drawings are fun, and there is a good variety.Adequate:--the paper is nice and white, and is of sufficient quality to stand up to erasing. Good for colored pencils, but could be tighter, like the paper in the "Outside the Lines" coloring book (Outside the Lines: An Artists' Coloring Book for Giant Imaginations).Summary:--The drawings are sophisticated and satisfying to work on.--This, along with Outside the

Lines, are the two best coloring books I know of.17 of 17 people found the following review helpful. Five StarsBy Sabrina22 of 23 people found the following review helpful. A great coloring book if you don't mind skulls!By Diane L. JohnsonDia De Los Muetos coloring book is s great way to spend an hour coloring a human skull with intricate designs. The designs call out for bright colors and they are just plain fun. One of the best thing about this book is that the designs are on single pages-no back to back designs leading to bleeding colors. Over all a great bit of fun.

Experience the rich, intricate visual designs of Mexican Folk Art in this Dia De Los Muertos coloring book for adults. You'll find over 25 beautifully detailed patterns to color, allowing you to relax and de-stress while celebrating the Day of the Dead.
