Tim Hawkins : Diary of a Jackwagon before purchasing it in order to gage whether or not it would be worth my time, and all praised Diary of a Jackwagon:

1 of 1 people found the following review helpful. Hilarious!By Chad P.It's been a long time since I've laughed so much reading a book. I woke my wife with my laughter as she lay next to more than a few times. That's what she gets for making me go to bed with her at 9pm. Don't tell her I said that. Please. Tim Hawkins has a gift. I pray He keeps using it.1 of 1 people found the following review helpful. I was honestly a little disappointed..By SamI was honestly a little disappointed....I am a huge fan of Tim Hawkins and have been since High School. And if you don't plan on going

to his shows I suppose this is a good replacement, but the book is basically one of his shows put on paper. There weren't many jokes in there that I had not heard before. It was a well-written? book, don't get me wrong there, but in terms of content I was just expecting a little more. 1 of 1 people found the following review helpful. Hoped for New Material By Christy I was hoping that this book would have some new material in it, but it's basically all of this comedy sketches that are on Youtube inserted into a book with transitions. I am such a huge Tim Hawkins fan and there were still moments where I laughed out loud, but I just hoped it was something new. Still finished it, still recommend it! But if you're super familiar with his sketches already then it won't be anything much different. Still love ya, Tim!

He's a comedian. He's a YouTube sensation. And now he becomes an author. Best known for his song parodies and riffs on yoga pants and homeschooling, Tim Hawkins now shares his perspective on life in the 21st century in his long-awaited debut book. Tim's topics are as wide-ranging as his stand-up comedy including marital communications ("Marriage needs a challenge flag, like in pro football"), worship music ("Pick the right key, because I'm not Barry White and I'm not a Bee Gee"), and food ("Eating a Krispy Kreme donut is like eating a baby angel"). *Diary of a Jackwagon* reveals a witty and relatable voice reminding readers that for life's many difficulties, laughter is always the best medicine – when there aren't any pills left.
