1 of 1 people found the following review helpful. Sweet and Funny BookBy Sandra WetzThis book was so sweet and funny I could not put it down. I read the entire book in one day. I loved it. It is so funny because it is true. The things Miss Lori Phipps talks about are absolutely what kids that age do. It is so much fun to read all the little things preschool kids do everyday. I highly recommend this book.

Sending your child to preschool? For any parent interested in the unexpected, hilarious antics that occur during the day at your child's school, "Diary of a Preschool Teacher," is a must read. Order a copy of this book and you will laugh immensely while developing sympathy for what teachers go through and a better understanding of your child. In this hilarious, non-fictional diatribe, Miss Lori reveals what peculiar daily happenings occur at her private preschool center. This daily journal does not only educate about the reality and unpredictability of teaching, but entertains in a way that makes it hard not to laugh. All proceeds go towards a fundraiser to keep a private preschool center in Northern California in operation. Thank you for supporting early education and private businesses.
