AwesomeBy mz9I collect this series and this is one of the best ones in the series so I recommend it to everyone

My name is Charlie Chucky, and I am the son of an international super spy. When people began to go missing in a creepy forest next to my school camp, it was up to me to find them. But I didn't expect to be battling invisible giants... This story is a funny adventure that is engaging for children, middle school students, and grown-ups. It can be read as part of the Super Spy series, or by itself. Enjoy!
