Scott Adams : Dilbert 2.0: 20 Years of Dilbert before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dilbert 2.0: 20 Years of Dilbert:

8 of 8 people found the following review helpful. Ultimate Bang for your Buck By manbearpig I love Dilbert. It is my favorite single panel comic series. I don't remember how I got subscribed to their daily feed but I have been receiving it every day in my inbox since over a year now. Most people start their day with coffee - all I need is Dilbert. I guess I like it so much because I can identify with Dilbert to some extent. I believe all cubicle workers must feel the same way. I received my copy of Dilbert 2.0 yesterday. I'd rate the product print and bind quality as top notch. This is a huge book, almost 2 inches thick (~600 pages) and very heavy. The book itself comes in a cardboard case. The image you see here on the product description page is that of the cardboard case. I'll try to put some pictures of the real product soon. I was very impressed with the overall quality of this book (especially considering the fact that regularly sells this for more than 50% off its MSRP). The pages are soft to touch and semi glossy. This book is divided into various

segments of approximately 4-5 years each, namely The Early Years, The Dot Com Bubble, The Modern Era and such. The Introduction section was a pleasant surprise. Instead of the usual boring acknowledgments and inspirations and whatnots, Scott Adams decided to provide a flashback of how Dilbert came into existence. It's best if I don't reveal much here and simply say that I found it to be very readable, likable and funny. I haven't yet started reading the actual Dilbert comics yet but it doesn't really matter. All I wanted was to have my very own collection of the best of Dilbert. The included CD also has colorful images of the regular characters on top and is pretty to look at. I don't really plan on inserting it in my computer ever. I'm a fan of Dilbert/Scott Adams and I'm very happy with this purchase. Now I'm looking to score a good deal on Dilbert 6-Piece Action Figures Set.0 of 0 people found the following review helpful. Best Value this side of Calvin and HobbesBy Winston D. JenIf you love the comic strip (and who doesn't), you'll love this ginormous collection of comics, commentary, interviews and snide quips from Scott Adams. The only drawback is the bulky hardcover tomes: you'll have a hard time reading it off the floor, and even in bed it's a struggle to some degree. On the plus side, it makes the product durable for a decade at least. There's the perennially unfortunate Dilbert, responsibility-shirking Wally, victim of male chauvinism Alice, the ultimate saboteur the Pointy-haired Boss, soulless HR Director Catbert, and sneak consultant Dogbert, among others. This massive collection of office humour is likely to last another two decades at least. If you finish them early, you can always look back and refresh your memory while enjoying it. The author and publishers could easily have taken the cheap way out and assembled the comics with no extras to speak of, but almost every strip has commentary from the author himself. Everything from artistic inspiration style to his dealings with his bosses and letters from fans is included.0 of 0 people found the following review helpful. Great book for any Dilbert FanBy SrulyAs others have noted, not all the comics over the 20 year period that this book covers are in the actual book. If they were, the book would be much bigger. On the bright side, and raising it to 5 stars, the publishers included a CD which DOES have all of them (after all, it's not like each comic takes up a lot of memory on the CD)Great book for any Dilbert Fan

Celebrating the 20th anniversary of Scott Adams's Dilbert the touchstone of office humor this special slipcased collection weighing in at more than 10 pounds with 600 pages and featuring almost 4 000 strips is divided into five different epochs personally selected by the author Also included is a piracy protected disc that contains every Dilbert comic strip to date and that can be updated as new cartoons are released Celebrating the 20th anniversary of the touchstone of office humor this special slipcased collection goes behind the scenes and into the early days of Adams's life pre Dilbert and on to the success that followed when Dilbert became a syndicated sensation In the tradition of The Complete Far Side and The Complete Calvin and Hobbes Dilbert 2 0 celebrates the 20th anniversary of Scott Adams Dilbert the touchstone of office humour Also available The Complete Calvin and Hobbes ISBN 9780740748479 RRP 265 00 The Complete Far Side ISBN 9780740721137 RRP 275 00 Join Dilbert and his often infuriating office mates in this collection celebrating 20 years of Dilbert Scott Adams is a VERY tough act to follow Suzanne Tobin Washington Post In the tradition of The Complete Far Side and The Complete Calvin and Hobbes Dilbert 2 0 celebrates the 20th anniversary of Scott Adams's Dilbert the touchstone of office humor This special slipcased collection weighing in at more than ten pounds with 600 pages and featuring almost 4 000 strips takes readers behind the scenes and into the early days of Scott Adams's life pre Dilbert and on to the success that followed when Dilbert became an internationally syndicated sensation Divided into five different epochs Dilbert 2 0 gives readers a glance at some of Adams's earliest strips like those created for Playboy and a peek at an abundance of special content ranging from numerous rejection letters to Adams's first cartooning check and more Adams personally selected the materi

.com Book Description Scott Adams "is a VERY tough act to follow." --Suzanne Tobin, Washington Post In the tradition of The Complete Far Side and The Complete Calvin and Hobbes, Dilbert 2.0 celebrates the 20th anniversary of Scott Adams's Dilbert, the touchstone of office humor. This special slipcased collection--weighing in at more than ten pounds with 600 pages and featuring almost 4,000 strips--takes readers behind the scenes and into the early days of Scott Adams's life pre-Dilbert and on to the success that followed when Dilbert became an internationally syndicated sensation. Divided into five different epochs, Dilbert 2.0 gives readers a glance at some of Adams's earliest strips, like those created for Playboy, and a peek at an abundance of special content ranging from numerous rejection letters to Adams's first cartooning check, and more. Adams personally selected the material for this collection and offers original comments and humorous asides throughout. Also included is a disc that contains every Dilbert comic strip to April 2008. .com Exclusive: "How to Read a Book in One Minute"
