Scott Adams : Dilbert 2015-2016 16-Month Desk Pad Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dilbert 2015-2016 16-Month Desk Pad Calendar:

Good size, plenty of room for notes, and a full listing of holidays. The right side of the pad features a full color Sunday strip for each month. Nice colors and it brightens up my work space. If you enjoy Dilbert and need a good calendar for a great price, this will suit your needs just fine. 0 of 0 people found the following review helpful. Smaller than expected By Susan Little smaller than what I'd like in a desk calendar.

Is Scott Adams secretly basing Dilbert on your office, or does your office just happen to be exactly like the one in his popular strip? Let's look at the facts. Your boss does have a lot in common with Dilbert's (aside from the pointy hair). And you do have that coworker who is one deadline away from a meltdown and another who spends all day trying to look busy. But rest assured, Scott swears that the strip is all made up and coincidental. He also asks that you please disregard the hidden cameras in the boardroom. Enjoy a different Dilbert Sunday cartoon on each monthly page of this desk pad that also features perforated pages, coordinating binding and corners, and lots of room to note project due dates (or just doodle).
