Scott Adams : Dilbert - A Treasury Of Sunday Strips: Version 00 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dilbert - A Treasury Of Sunday Strips: Version 00:

0 of 0 people found the following review helpful. A nice addition to my Dilbert collectionBy Miild Mannered MickA nice addition to my Dilbert collection. Great Price and nice selection to pick from. Arrived quickly, in great shape, just as advertised. Will order from this vendor again4 of 4 people found the following review helpful. Content is okay, implementation is notBy MorrisMost of these are older strips collected in other books, so there's a good chance you've seen them before. That isn't reason to rule out a purchase, but the constant crashing will make you demand a refund. This edition is buggy, and cannot stay open for more than 5 pages before it will crash your tablet. Tried with a Kindle Fire and with an Ipad 2, couldn't read uninterrupted on either.0 of 0 people found the following review helpful. Fun to read even for the 5th timeBy GaryHey my man Wally is in here. I have a tattoo of Wally so of course anything by Scoot Adam's is good by default!

Everyone who's in business, works for a business, or even just gives others the business is amazed: Scott Adams never lacks for yet another way to lampoon the corporate world. It's not that Adams is anti-business. He's more anti-bad boss than anything. But poor management practices, the effects of bad decisions, and what it all means for the average worker add up to more comedic material than even the man who created Dilbert can tame. Since Dilbert was first syndicated in 1989, Adams has built a following that would be the envy of any corporate sales and marketing team. His work not only generates howls from readers as they rush to plaster it on lunch-room refrigerators and scan it into interoffice e-mails, it has those same fans reading about "their" workplaces every Sunday in a multiple-panel, color format. And that's what this treasury, *The Collected Dilbert Sundays*, provides. This collection offers yet another glimpse into the zany life of Dilbert, Dogbert, Ratbert, and the rest of the crazy cube crew through the masterpiece Sunday comics. Here's even more of the great Adams's irony, sarcasm, and satire that so many have come to depend upon to cope with the corporate workplace. *The Collected Dilbert Sundays* humorously continues the tradition of poking fun at the world of business from which we all seek to temporarily escape.

About the Author What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.
