Scott Adams : Dilbert Gives You The Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Dilbert Gives You The Business:

0 of 0 people found the following review helpful. Nice selection of books and a great priceBy Miild Mannered MickNice selection of books and a great price. Arrived quickly, in great shape, just as advertised. Will order from this vendor again0 of 0 people found the following review helpful. its all trueBy CadMonkeythere's hardly a single strip that doesn't somehow apply at my office. its funny and alittle depressing at the same time.1 of 1 people found the following review helpful. Excellent best-of compendium.By James YanniThis book is a collection of many of the best of the Dilbert Strips, organized according to subject matter. If you don't have all of the previous Dilbert collections, this is a very good way to get many of the best of the previous strips all in one book. But even if you DO have all the previous books, it's not without value to have so many of the best strips all in one book, so conveniently organized.

Granted there's no new material here, which some might consider a flaw worth docking the book at least a star for, but as reprint collections go, it's a fabulous collection.

Everyone who reads DILBERT and works in an office will appreciate this collection, *Dilbert Gives You the Business*. Creator Scott Adams tells it like it is through the insane business world inhabited by Dilbert. If frustration and lunacy are an inevitable part of your workday, appropriate measures must be taken immediately. Andrews McMeel has the perfect antidote to your workplace stress. Dilbert is universally recognized as the definitive source of office humor. What makes this 14th Dilbert book so unique is that it is a collection of the most popular strips requested by fans for reprints and downloads from Dilbert.com gathered together. Arranged by topics for quick reference, this hilarious book is the comprehensive Dilbert source book, sure to alleviate work burnout. Packed within these colorful pages, fans will find all their favorite characters, including Dilbert, as he encounters daily issues from delegating to decision-making, trade shows to telecommuting, and downsizing to annoying coworkers. It's business as usual for the Dilbert clan. . . . Dilbert is continually updating his resume, Dogbert continues his pursuit of world domination, Wally strives to do the least amount of work possible, and Alice is eternally frustrated by the Boss. Welcome to the all-too-familiar world of Dilbert-the lowly engineer who has become an icon for oppressed and burntout workers everywhere!The most popular business-oriented cartoon in the world, Dilbert speaks to millions of fans who toil in the corporate trenches. No matter how outrageous a tale he spins, Dilbert creator Scott Adams inserts sufficient nuggets of truth in every strip to keep his believers laughing. In part, that's because Dilbert is based on his own former corporate experiences-and is kept current by culling inspiration from the 350-plus E-mails he receives each day. Keep *Dilbert Gives You the Business* close at hand-as you would your phone book, Internet diversion tool, browser, and any other work.

About the AuthorWhat started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.
