Tom Kennedy : Dimly Lit Meals for One: Heartbreaking Tales of Sad Food and Even Sadder Lives before purchasing it in order to gage whether or not it would be worth my time, and all praised Dimly Lit Meals for One: Heartbreaking Tales of Sad Food and Even Sadder Lives:

2 of 2 people found the following review helpful. I bought this for my recently single buddy and he hasn't spoken to me now for three weeks.By Ron VecklesFirst things first: the humor in this book is pretty dark and there are a few references that only Brits might get. That said, this book is so funny! Basically it's a collection of tiny sad stories accompanied by horrible looking food photographs. That's it, it's not Tolstoy but it is well written and looks great alongside your serious cookbooks. Makes a great gift if you're not that worried about your friendship lasting!

Consider the top image. A plate of chick peas and plain spaghetti, accompaniedwe can only assumeby the mournful, haunting wail of a conch. Based on the popular Tumblr, this book features never-before-seen photographs of humanity at its lowest culinary ebb, accompanied by tragicomic stories that will either leave you crying with laughter, or just crying. You'll meet a cast of colorless characters trapped in a kitchen hell of their own devising, witness their struggles to fulfill their recommended five a day, and marvel at how much human misery can be heaped onto a single plate. Fuelled by the author's first-hand experience at the dark heart of miserable food photography, Dimly Lit Meals for One is the culmination of one man's quest to chronicle the exact opposite of food porn. Bigger, sadder, and funnier than ever before, this book serves up bite-sized portions of hilarity and heartbreak alongside some of the most inept food photography ever seen.

"Loaded with the existential anguish of all the works of Sartre and Beckett put together." el Pas
