Congratulations - your application for a Mesozoic hunting license has been successful! Before you travel back in time and charge headlong into a teeming pack of prehistoric big game, we strongly advise that you read the following guidebook. It will provide you with information crucial to success - and survival! You will learn the basic facts of geography, climate and environmental conditions of the three periods that make up the exciting Mesozoic era. Then you will uncover the startling variety of fauna that populates this ancient earth, as well as the specific information on
