Peggy Parish : Dinosaur Time Book and Tape (I Can Read Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dinosaur Time Book and Tape (I Can Read Book 1):

1 of 1 people found the following review helpful. I can Read, early readers. By Angela This is a great beginning reader for children, my grandson enjoyed it very much. 0 of 0 people found the following review helpful. A nice book By KTA nice book for early elementary students. Warning: My student read the book, and now cannot stop talking about dinosaurs.... Oh, and a real dinosaur is not included. I had to go dig one up in my backyard. 0 of 0 people found the following review helpful. Five Stars By medicpreskids enjoyed it

Now young children can read about dinosaurs even how to say their names' by themselves. Shouts of welcome will greet this new addition to the Early I Can Read series. I Can Read Books are the premier line of -- beginning readers encouraging children to learn and love -- to read. Featuring award-winning authors and illustrators, I Can Read Books offer a full spectrum of entertaining stories for every stage of a child's reading development.
