Weisense!Our little dog has a toy that we call "Chunk A Monk". It originally was a gorilla until she bit off the legs, arms, and face and turned it into a furry ball. We then bought another Gorilla, the same kind, that we call "Monk A Chunk". She likes both of them and knows where they are in the house at all times. She is very attached to them and jumps up on her perch in the front window with one of them to show the work outside her prized possessions. This book just made us laugh.

A winsome collection of 50 full-color, all-breed canine portraits, each posed with a favorite play toy and accompanied by an affectionate anecdote. Dirty Wow Wow was ranked #3 on Entertainment Weekly's "Ten Things We Love" List The creators of the popular book DIRTY WOW WOW present this brand new album, featuring beloved family pets and the raggedy objects of their affection. Big dogs, small dogs, mixed breeds, purebreds, puppies, and seniors tug, chase, chew, guard, nuzzle, sleep on, and play with their shredded teddies, blankies, and chewies. Each dog portrayed has formed a bond with a self-selected favorite, and many of them remain loyal to just one toy. Among the toys that have survived the perils of puppyhood, many continue to give comfort and joy to their aging pooches. Every lovingly photographed image of our best friends with their best friends will resonate with dog lovers and the readers who love them.
