A coffee table book that won't collect dust...By Allison M RodgersDirty Little Cocktails is well written and provides a comically entertaining, out loud read while you are preparing to entertain your guests!!! A great unique gift idea for a bachelor/bachelorette party or housewarming gathering in the city..or livin' it up in the country. Finally... a usable coffee table book that will NEVER collect dust!! The cocktail recipes are rich in flavor and each a conversational piece. Can't wait for the next book!1 of 1 people found the following review helpful. This book is fantastic!By darren grayI'm so glad I found Dirty Little Cocktails. I love mixing drinks for my guest while entertaining. The drinks are fun and flirty and made my last party a blast!! Everyone was picking their fav cocktail persona. Afterglow is a must!

A humorous cocktail book that brings you drinks such as Red Hot Hooker and Lapdance, as well at the mysterious Kassira's Kiss, and the pleasurable Afterglow. The pages are loaded with some of the funniest, silliest and sexiest drink names that will have you and your cocktails guests laughing for hours. Designed specifically for cocktailers with a sense of humor, who can enjoy an adult beverage responsibly, you'll find some great drinks that are easy to make and tasty enough to enjoy over and over again. Included are drinks you can have with breakfast, drinks with friends, drinks with dinner, and even drinks you can have in the bedroom and after. You'll laugh at some of the names and get in

touch with the mixologist in you when you create these cocktails. You don't have to an expert bartender to mix these drinks, but it'll make you look like one. So get out there and start mixing.

About the Author Keith Bauguess Keith grew up in what was formally known as the "Moonshine Capital of the World" North Carolina. Shortly after a move to New York in 1995, he studied at the New York Restaurant School and earned a degree in pastry arts. A former New York City banker and restaurant marketing director, the author decided to turn his skill of pastry arts into the art of drink styling for "Dirty Little Cocktails" An avid cocktailer and always in search of the perfect happy hour, Keith created "Wednesday @ 7" a social club for networking professionals. He and his life partner, Darren, currently live in New Jersey. Eldon Hernandez Eldon grew up in New York City, where he attended City College of New York and earned a degree in Communications, Film, and Video. Shortly after that, he attended American Bartending School where, upon completing the program, he became a licensed bartender. Eldon is currently a web developer in Los Angeles where he entertains many guests using his bartending and hosting skills. He decided to partner with Keith and use his mixology techniques and creativity to bring you this book. Eldon loves to cook his native Dominican cuisine and entertain in his home with, of course, cocktails.
