Erin Barrett, Jack Mingo, David Colbert : Doctors Killed George Washington before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctors Killed George Washington:

6 of 6 people found the following review helpful. Doctors Killed George Washington By Tricia (Abingdon, MD) I discovered this book in my own doctor's office. He'd received it as a gift from a friend and loved it. Finding myself wishing I could have stayed longer to read more, I ordered copies for myself and as a gift for a friend, who has enjoyed it as much as I have. It's a fun book, full of obscure medical trivia. Very easy and enjoyable reading! I have since ordered three other books by the same authors and have found them to be equally interesting and entertaining. I

highly recommend this book. You're sure to learn a lot of things you never knew about the medical profession.0 of 0 people found the following review helpful. Interesting TriviaBy TravelKitty50This is of interest to those who like medical history, although a tourguide at Mount Vernon disputed me when I told her (according to this book) how George Washington died.

It's no joke that we are all fascinated by the medical profession and the people in it. With *Doctors Killed George Washington*, trivia mavens Erin Barrett and Jack Mingo explore accidental medical discoveries, medical follies, bizarre cures, and more. This titillating tome puts doctors and medical history under the microscope and exposes more than 500 little-known facts and outrageous oddities from the wild world of medicine. Did you know? Before the advent of surgery, ancient Egyptian doctors put their patients under by hitting them on the head with a mallet.

About the AuthorErin Barrett and Jack Mingo have authored 20 books, including *How the Cadillac Got Its Fins*, *The Couch Potato Guide to Life* and the best-selling *Just Curious Jeeves*. They have written articles for many major periodicals including *The New York Times*, *Salon*, *Reader's Digest*, and *The Washington Post* and have generated more than 30,000 questions for trivia games and game shows such as *Who Wants to Be a Millionaire?*. Their website, which lists their "This Day in History" nationally-syndicated column.Erin Barrett and Jack Mingo are the authors of twenty books, and the best-selling *Just Curious Jeeves*, *How the Cadillac Got Its Fins*, and *The Couch Potato's Guide to Life*.
