I especially liked the history of the funeral business, and had all but forgotten the "hearse-ambulances" of my childhood, used way before EMS and 911 in our small town.

I found the book realistic and frank in dealing with people. Yes, as a nurse, I've seen similar situations. All in all, I'm glad I hit "buy now" by mistake. 0 of 0 people found the following review helpful. Excellent Book By Heather Erickson I was curious about the funeral industry, since my husband and I are preplanning his funeral. This was an excellent book filled with fascinating stories and Frank advice by a seasoned funeral director/embalmer. I enjoyed many of the stories and teared up reading others. Still, others, made me chuckle. Mr. Webster is a very good writer. I recommend this book. 0 of 0 people found the following review helpful. Why would someone buy this book? By Sharon Samms I was curious and we're all going to die some day. I learned a lot about what to expect, what not to take and how to be treated with respect when you and your family have to make final decisions. Thanks, Mr. Webster.

Why would someone want to hang out with dead bodies? With curious anecdotes and unbelievable truth, funeral director Robert Webster reveals that answer and more, offering readers entertaining and quirky stories gleaned from a life lived around death. Webster tackles those embarrassing questions we all have about what really goes on behind the scenes when you've left this world: Strange things people put in caskets The biggest rip-offs in the business The crazy things that happen to a body after death Lime, waz, and other ways to hide the truth The most important thing an undertaker does How to avoid the high-pressure funeral parlor What that's not a coffin the body is resting in

About the Author Robert Webster has been a licensed embalmer and funeral director in Ohio since 1977. He attended the Cincinnati College of Mortuary and opened the Webster Funeral Home in Fairfield, Ohio, in 2001.
