They all stop by the first few days of every month to read the new stuff. I won't let anyone look ahead because it's cheating! :-) I will definitely buy another one for 2017 if they make them! 2 of 2 people found the following review helpful. feel ashamed when they have been bad! This calendar is fun By J. a Anyone who says dogs don't think, is out of their mind. They can be sneaky, devious, and YES, feel ashamed when they have been bad! This calendar is fun. You can't help but smile at these silly dogs, who are obviously loved, even when they have misbehaved. 0 of 0 people found the following review helpful. Exactly what I wanted By Henryhillsmom This calendar is hilarious I wanted a goofy calendar for 2016 and this one is totally up my alley. Dog shaming is great!

Dogshaming.com is the popular site that hilariously exposes canine misbehavior with user-submitted photos. A viral hit from the very first post, it has been the top dog in pet-related blogs for two years (which in Internet years is like forever). Based on the site, this calendar is paws-down the best dog wall calendar out there. Each monthly spread of the Dog Shaming 2016 Wall Calendar features some of the all-time best submissions from dogshaming.com, making this calendar both hilarious and adorable. Whether it's Bella who helped the hamster escape from her ball, Chooky who cannot stop chewing on dirty underwear, or Badger who knocked an old man off his cane, the dogs in this calendar are

ridiculously cute even when they are misbehaving.
