The Same Joke Repeated By Seattle Book Mama I've always enjoyed the posts I see online, so I ordered this to hang in my kitchen, where I note appointments the old-fashioned, low tech way. Practically all of the photos and captions involve dogs eating poop. ...the heck? There are so many funny ones in circulation that are more varied, and this just seemed like a waste. Won't order again. 0 of 0 people found the following review helpful. Funny! By Renee C This calendar is printed on good quality paper and the pages are thick enough they it won't rip through the hole when it hangs on a nail on my wall. The pictures are cute and the captions are hysterical. Perfect for any dog lover who, like me, has a very naughty dog that is cute but a little trouble maker. 0 of 0 people found the following review helpful. I love this calendar By Peter G. I love this calendar. Each month my wife and I think which one of our dogs would be most likely to do the same thing as the dogs in the pictures.

Dogshaming.com is party central for the phenomenon that is dog shaming, where owners submit photos of their dogs with a sign detailing their latest bad behavior. But usually, the guilty party is just too darned cute to stay in the doghouse for long. Each monthly spread of the Dog Shaming 2017 Wall Calendar features some of the best

submissions from dogshaming.com, making this calendar both hilarious and adorable.
