Lewis Grizzard : Don't Bend Over in the Garden, Granny, You Know Them Taters Got Eyes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Don't Bend Over in the Garden, Granny, You Know Them Taters Got Eyes:

0 of 0 people found the following review helpful. he will regale you with tales of his love for ClemsonBy WesAs a boy, I was a porcine child that just wanted to laugh and escape the world. I had stayed with my Uncle while my mother was in the hospital for a treatment. My uncle is a worldly fellow, even if only in his own mind, and had a considerable library of books. The cover of one struck me. It was a man dressed in a varsity jacket and a white t, slicking his hair back. This was Lewis Grizzard and the book was "I Haven't Understood Anything Since 1962". This is not that book, but it is written by the same author. He has a self-deprecating wit and often times dips into the nostalgia of growing up in Georgia. Grizzard is self described as "An American by birth and a Southerner by the grace of God." If that makes you eye-roll, the book probably isn't for you. If you chuckle at the idea of it, he will regale you with tales of his love for Clemson, Weyman C Wannamaker and more. 11/10 would read while bending over in the garden.0 of 0 people found the following review helpful. If you want humor, you can't go wrong with Lewis Grizzard!By Frances A FromanI read all of Mr. Grizzard's books years ago, as soon as they came out. Now I'm reading them once again and enjoying all of them. His titles are outstanding!A lot of people don't know or don't remember that Lewis Grizzard appeared in several episodes of the series "Designing Women."0 of 0 people found the following review helpful. Five StarsBy Carolyn PowersThe book was in excellent shape.

This time Lewis Grizzard has gone and done it--written a book about sex, as seen through his bespectacled, ironic squint. He tells us why Junior Leaguers don't do it in groups, why Baptists won't do it standing up, and why Richard Nixon never did it, among other things.

From the Inside FlapThis time Lewis Grizzard has gone and done it--written a book about sex, as seen through his bespectacled, ironic squint. He tells us why Junior Leaguers don't do it in groups, why Baptists won't do it standing up, and why Richard Nixon never did it, among other things.
