Paul Cookson : Don't Get Your Knickers in a Twist before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Get Your Knickers in a Twist:

A superb collection of very clever, very funny poems based on idioms, figures of speech and generally playing with words for example - Giving a Dog a Bad Name, Raining Cats and Dogs, Losing Your Marbles, Keep Your Eyes

Peeled and many many more. Paws For Thought; My dog was staring at his feet; Was it something he had caught?
Why no! My dog was thinking. He was having paws for thought. Roger Stevens
