**Kelly Wilson : Don't Punch People in the Junk: (Seemingly) Obvious Life Lessons to Teach Kids** before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Punch People in the Junk: (Seemingly) Obvious Life Lessons to Teach Kids:

0 of 0 people found the following review helpful. Stories of a bratBy D. A. TorresYoungest seems incorrigible and while very humorous I wonder why more isn't said about the effectiveness of her attempts to discipline the wild child.0

of 0 people found the following review helpful. It was good for a chuckleBy SwampgirlI don't usually read anecdotal books. I got on a free promotion, so why not? It was cute.0 of 0 people found the following review helpful. Laugh-out-Loud Funny, 'So Real!'By D CKelly has the ability to spin laughout-loud stories, that are, "so real." Love and own all of her books!

When our youngest child punched two kids in the junk within an 18-hour period, I questioned whether I could have done anything to prevent it. To be honest, I hadn't thought to tell my children directly not to punch people in the junk. It wasn't a message that I ever imagined I would have to say out loud. However, there have been several rather obvious life lessons that I've been forced to teach my children over the years in order to help them navigate life. Don't Punch People in the Junk! (Seemingly) Obvious Life Lessons to Teach Kids is a collection of lessons that explores the challenging and rewarding journeys of both childhood and adulthood. Although many of the statements in this book seem like common sense, there may be several that you never dreamed you would have to say out loud to another human being. Don't Punch People in the Junk! (Seemingly) Obvious Life Lessons to Teach Kids is an honest and laugh-out-loud look at the journey of parenthood.

About the AuthorKelly Wilson is an author and comedian who entertains and inspires with stories of humor, healing, and hope. She is the author of Live Cheap and Free, Don't Punch People in the Junk, and Kelly Wilson's The Art of Seduction: Nine Easy Ways to Get Sex From Your Mate.
