"How long you live has nothin'to do with how long you're dead."By Jerry GuildIt always amazes me when I see the price of Greeting Cards these days and then see ,for about twice the amount , you can give someone a little gem of a book like this. It's a small book that can easily fit in your pocket and has 123 messages ,each on its own page and half of them are also accompanied with a wonderful illustration that drives the point home.You can "go through" this book in about a half hour,even alllowing a bit of time to let the pearl of wisdom to set in. When did you ever get that much enjoyment from a greeting card? And instead of tossing it away, leave it around for others to enjoy. Although the book and illustrations have a Cowboy theme;they can be applied to all kinds of lifestyles. Here are a few of my favorites,you may find others you prefer;but one thing for certain,you won't want to but it down 'till you finish it. "Never believe anyone who says their horse doesn't kick." "Things have a way of workin' out if you just keep your head." "Always walk tall and keep your head up--unless you're walkin' in a cow pasture." "Look Out"usually means "Don't look,duck!" "Never bluff when you're dealin' with a woman." This book has had a lot of success and has already had 10 editions. My only slight disappointment is that the "Cowboy Code and Other Tips for the Trail" that was on the back cover of earlier editions ,was not on mine.

By popular demand, Texas Bix Bender writes a sequel to his best-selling DON'T SQUAT WITH YER SPURS ON!, which became an immediate cowboy humor classic and has been reprinted 26 times. In this new book, Bender has written 125 funny quips for life. Here are some samples: "A good pard will ride with you till hell freezes over, and a little while on the ice." "If youre ridin a high horse, there aint no way to get down off it gracefully." "Nature gave us all something to fall back on, and sooner or later we all land flat on it." "Never be too quick to criticize yourself. Its not fair to all your friends and relatives who are dying to do it for you." BR
