I've marked some for re-purposing the next time I'm in front of an audience. I was very close to one of the co-authors (Richter) and knew some of the folks quoted, so I don't pretend to be unbiased. But it's hard for me to imagine anyone really disliking this little book.

The lighter side of Texas politics is exposed in this fun-filled collection of Texas political humor. The authors, Charles Herring Jr. and Walter Richter, have rounded up a generous collection of stories, one-liners, and anecdotes that all really happened in the Texas political scene. Included are stories about Lyndon Johnson, George Bush, Ann Richards, Clayton Williams, John Connally, Gib Lewis, Jim Mattox, Maury Maverick, Ross Perot, Sam Rayburn, and almost any other political figure who has said or done something funny. Introduction by former Texas Governor Ann Richards.
