Jerry Austin : Don't Worry about the Mule Being Blind: Just Load the Wagon before purchasing it in order to gage whether or not it would be worth my time, and all praised Don't Worry about the Mule Being Blind: Just Load the Wagon:

0 of 0 people found the following review helpful. Some real gems, but also some crude ones.By L. TaylorI bought this thinking that it could be a gift for my mother, but upon reading it, don't think she would have appreciated some of the more crude/coarse comments.1 of 1 people found the following review helpful. A must readBy RadDadThis is a very

funny quick read with sayings and phrases that can be used everyday life! I love this book!

Southern euphemisms for life and laughter... I have used these euphemisms that were taught to me by my parents all through my life. Friends, business associates and family have loved and copied my sayings and enjoyed the meaning and humor behind each one. Many times I have been told, "You should write a book." Here it is.

About the Author Jerry Austin was born and reared in the South. He left his home as a young boy, but carried with him the teachings of his parents and grandparents. He lived in the West for the past 11 years, but recently came back to the South to reclaim his heritage.
