surprisingly hilarious, if you have half a brain and some wit, you'll understand it. If not anything, this book gets you thinking outside the box to push yourself even further. Many times we get caught up in the formalities of life and JRL shows us that it's just not that serious! Flirting the line between the gray area and obscene, JRL takes you past expected social norms to a life of true freedom....where you can become anyone and do anything that you want. Can't wait to see what he does next in his illustrious career!3 of 3 people found the following review helpful. Who is JRL?How dare you not know! Justin Ross Lee is a completely self-created, self-inflated Internet celebrity; Jew Jetter; and social media virtuoso. When hes not causing trouble on Bravo or headlining VH1, youll find Justin having red-carpet run-ins with A-list celebrities, getting blacklisted from airlines and nightclubs, and monopolizing the tabloid pages with his boisterous bad-boy behavior. Famous for being famous? Hes famous for telling you hes famous.So how did this privileged prick from Scarsdale become a jet-setting, luxury-loving, travel-hacking aristo-brat with an army of followers on social media? Dont worry, JRL is here to tell you. Love him or loathe himhe doesnt carehe promises to make you laugh so hard youll cry, whether its at him or with him. Is this book satire or the instructional manual for the modern narcissist? Either way, Dont You Know Who I Think I Am? is a story of how one man was dubbed The ego that attacked NYC by the New York Post and what that man can teach you so youll never have to wait in line again.

The most strategic swimmer in the social media cesspool. The New York Times Savvy travel hacker. Stephen Colbert Car-crash ability to piss people off. New York Post His hacks are equal parts ingenious and outrageous ABC News, Nightline Even when hes at his ugliest, hes beautifully dressed. The New York Times Travels all around the world, eating good food, staying fancy. Wendy Williams The biggest d**k I know. Ron Jeremy Three things he never pays for: parking, publicity and p***y. New York ObserverAbout the AuthorJustin Ross Lee is an entrepreneur and social media maverick who has redefined the notion of fame. As the CEO of Pretentious Pocket, JRL works, lives, and plays in New Yorkespecially the first-class lounge at JFK. Justin has the secret to achieving platinum status, and now with this debut book, Dont You Know Who I Think I Am?, hes ready to share it with the world.
